Abstract: The collection of the information on the “Create/Update Importer Identity Form”, commonly referred to as the “[CBP Form 5106](#)” is the basis for establishing bond coverage, release and entry of merchandise, liquidation and the issuance of bills and refunds. Members of the trade community use the Create/Update Importer Identification Form to register an entity as an Importer of Record (IOR) on the Automated Commercial Environment. Registering as IOR with CBP is required if an entity intends to transact Customs business and be involved as an importer, consignee/ultimate consignee, any individual or organization involved as a party, such as 4811 party, or sold to party on an informal or formal entry. The number used to identify an IOR is either an Internal Revenue Service (IRS) Employer Identification Number (EIN), a Social Security Number (SSN), or a CBP-Assigned Number. By collecting, certain information from the importer enables CBP to verify the identity of the importers, meeting IOR regulatory requirements for collecting information. 19 CFR 24.5.

Importers, each person, business firm, government agency, or other organization that intends to file an import entry shall file CBP Form 5106 with the first formal entry or request for services that will result in the issuance of a bill or a refund check upon adjustment of a cash collection. This form is also filed for the ultimate consignee for whom an entry is being made.

CBP Form 5106 is authorized by 19 U.S.C 1484 and 31 U.S.C. 7701, and provided for by 19 CFR 24.5. The current version of the form is accessible at:
